District of Columbia Taxicab Commission
2041 Martin Luther King Jr Avenue SE, Suite 204
Washington, DC 20020

Dear Chairman Linton:

Please find attached a copy of the DC Taxicab Commission Disability Advisory Committee's Preliminary Report on Accessible Taxicab Service in the District. The report fulfills the initial mandate to the Disability Advisory Committee under the Taxicab Service Improvement Amendment Act of 2012. Extensions were requested, and granted, from the Committee to Council Member Cheh's office. The remainder of the report (Sections D-H) is due in November of this year. The Disability Advisory Committee will continue to meet monthly to accomplish this goal.

After the initial comprehensive report is submitted the Committee is mandated to transmit to the Mayor and to the DC Council an annual report on the accessibility of taxicab service in the District and how it can be further improved.

The Disability Advisory Committee thanks you and the entire DC Taxicab Commission for its support and for acknowledging the need for accessible taxicab service in the District.

Sincerely,

Anthony Muhammad, DC Taxicab Commission, Committee Chair

Carol Tyson, United Spinal Association, Committee Vice-Chair

CC: The Honorable Mary M. Cheh
